

Lycée La Fontaine

Bague Abdoulaye

My first day at this school

- On my first day at the LAF i was 4 years old, I don't remember I was small

Teacher I will remember

- The teacher I will remember is M.Amada because he made me strong He helped me in many aspects to be stronger, he is a very special man

People from that I want to thank

- I want to thank M. Ben Mohamed for the math class for 3 years
- I want to thank M.Boucher for english class for 2 years
- I want thank to thank my friend Mohamed Moussa is beautiful friend he supported me a lot I was really grate full

Number of years spent there

12 ANS
144 MOIS
4380 JOURS
105120 HEURES
6307200 MINUTES
378432000 SECONDES
ET TOUJOURS
FORMIDABLE

- I have spent 12 years at laf
- These years have been rich in emotion
- This school taught me how to stay sociable to remain polite to always respect big people to help my little brothers

My happiest memory

- My best memories are my trip to Dubai with M.Amada I play football I enjoy myself and have a good time

The thing I will miss the most

- I will miss the school, the teachers, the staff, my friends, I will miss the food in the canteen, I will miss the supervisor who asks me every time my school card before I go back to school

My hopes and projects for the future

In the future I want to help it open because all my memories are in this school

A attribute to the school

- At my school
- In my school I learned, With my friends I grew up.
- The teachers guided me,
Thank you, dear school,
- For every word.
- For everything you gave me
forever in my heart

GOOD BYE LAF
